

## Map of Ag: Job Vacancy

**Role: Agri-Data Admin Assistant (with great opportunity for career progression)**

**Location: Penrith, Cumbria**

**Salary: £26,500 - £29,000 dependant on experience**

**Hours: 40 hours per week**

**Map of Ag** is looking for a passionate and driven individual to join our growing team in Penrith. This is your chance to be part of something meaningful—delivering projects that make a real difference to sustainable agriculture across the UK.

If you care about the future of farming and food, and want to work for an innovative agricultural data connectivity and insights business, we'd love to hear from you.

### Why Join Map of Ag?

- **Impactful Work:** Play a key role in building resilient, sustainable supply chains and helping the food industry meet growing demand for transparency and sustainability.
- **Collaborative Culture:** Work alongside talented colleagues across departments and engage directly with farmers and industry leaders.
- **Exciting Projects:** From measuring greenhouse gas emissions across six supply chains for a major supermarket to delivering insights on animal health and welfare for leading milk processors, you'll be at the forefront of industry change.
- **Career Growth:** This position offers excellent opportunities for progression within a fast-growing company committed to innovation and sustainability.

### What's Included in the Role

- **Client Support & Relationship Management:** Act as a key point of contact for clients, ensuring their needs are met and projects run smoothly.
- **Project Coordination:** Support the delivery of data-driven projects, liaising with internal teams and external stakeholders.
- **Data Handling & Insights:** Assist in managing agricultural data, interpreting results, and contributing to actionable insights for clients.
- **Problem Solving:** Work with farmers and supply chain partners to address challenges and implement sustainable solutions.
- **Reporting & Communication:** Prepare clear reports and updates for clients and internal teams, ensuring transparency and accuracy.
- **Continuous Improvement:** Identify opportunities to enhance processes and improve client experience.

### What We're Looking For

- A proactive, enthusiastic individual with a passion for sustainability and agriculture.
- Strong communication and organisational skills.
- Ability to work collaboratively across teams and manage multiple priorities.
- A desire to learn, grow, and make a positive impact.

#### **Location**

This role is based in our Penrith office.

#### **How to Apply**

For further information, please call Helen Wilson on 01768 868472. To apply, email your CV and a short covering letter to [helen.wilson@mapof.ag](mailto:helen.wilson@mapof.ag).
